## Nutra Worka

A palatable ration "for the fussiest of eaters"

- ✓ Nutra Worka is a highly palatable, sweet, cool feed scientifically formulated for hard working horses.
- ✓ Provides a high energy and fibre diet with a vitamin and mineral profile suitable for high intensity work.
- ✓ Contains only high quality ingredients including prime lucerne and high levels of vitamins and minerals for performance equines in high intensity work.
- ✓ Contains high quality, highly digestible ingredients providing all the protein, energy, fibre, vitamins and mineral requirements to keep your horse in top condition. Is nutritionally balanced to be fed as a full ration with additional high quality roughage such as hay, chaff or pasture.
- ✓ Nutra Worka is formulated to enhance muscle and skeletal development, improve coat and hoof condition, reduce nutritional disorders and improve the health of your horse. Has added salts to replace sweat loss from intense training.
- ✓ Contains high quality protein meals and a very high amino acid profile to enhance growth rates and improve muscle definition and skeletal development. Is formulated to provide rapid recovery after strenuous work
- ✓ Is suitable for all classes of horses but in particular sport and performance horses in heavy work.

#### Analysis per kg

|             |      |        |    |             |      |        |    |

#### Feeding guide

- The feeding rate for your horse will depend on the quality of your roughage and the horse weight, body condition and exercise level. As a general guide, the total daily feed intake should be 2% – 3 % of body weight.
- Ensure a minimum of 1% of your horses' body weight is fed daily as high quality roughage such as hay, chaff or pasture. Daily requirements of Nutramix Horse feeds should be divided and fed twice daily.
- Daily requirements of Nutra Worka should be divided and fed twice daily.
- Introduce Nutramix horse feeds to your horses gradually over a period of 1 – 2 weeks.
- Ensure clean, fresh water is available at all times.
- Call a Nutramix representative for more information.

#### Warning

- Use strictly as directed.
- For Animal Treatment Only.
- **This product does not contain restricted animal material.**

**Storage** - Store in a cool, dry place

**Available in** :20 kg bag, Bulk Bag or Bulk

You should feed your horse Nutra Worka Pellets based on their body weight, taking into account their specific needs such as age and activity. The following is a guide for horses with limited or no access to pasture.

| Exercise Level     | Body Weight |           |           |           |           |
|--------------------|-------------|-----------|-----------|-----------|-----------|
|                    | 300kg       | 400kg     | 500kg     | 600kg     | 700kg     |
| <b>Maintenance</b> | 0.5 – 1.5   | 1.0 – 2.0 | 1.5 – 3.0 | 2.0 – 3.5 | 2.5 – 4.0 |
| <b>Light Work</b>  | 1.0 – 2.0   | 1.5 – 3.0 | 2.0 – 3.5 | 2.5 – 4.5 | 3.0 – 5.0 |
| <b>Medium Work</b> | 1.5 – 3.0   | 2.0 – 3.5 | 2.5 – 4.5 | 3.5 – 5.5 | 4.0 – 6.0 |
| <b>Heavy Work</b>  | 2.5 – 4.0   | 3.0 – 4.5 | 3.5 – 5.5 | 4.5 – 6.5 | 5.0 – 7.0 |
